RE: **REQUEST FOR EXEMPTION FROM CHAPTER 103D-102, HRS**
(Exemption Number 6: Insurance Broker Services)

Pursuant to Chapter 3-120, HAR, the Department requests a procurement exemption to purchase the following:

- I. Description of proposed procurement: Invites qualified and experienced insurance broker/agent licensed in the State of Hawai'i to submit Request for Statement of Qualifications (RFQ) to provide professional insurance brokerage services for accessing insurance markets, placing insurance, and to provide consultation, training and various services in direct support of the County's Risk Management Program.
- II. Name/Address of Vendor: To be determined through the Insurance Broker Selection Process.
- III. Estimated Cost: To be determined. (Cost is based on negotiated insurance premiums.)

- V. Explanation describing how procurement by competitive means is either not practical or not advantageous to the County: Request for Qualification (RFQ) will allow the County the flexibility to select the most experienced and qualified broker/agent licensed in the State of Hawai'i to serve as Broker of Record and Consultant for the County's Insurance and Risk Management Program. Furthermore, due to the volatile market conditions of the insurance industry, the use of RFQ will provide the selected broker the ability to approach the best markets and the opportunity to negotiate on the County's behalf for better choices of coverage and pricing.
- VI. A selection committee shall evaluate each statement of qualification received based on the criteria established by the committee.
- VII. If a recommendation of award is to be made by an evaluation committee, provide information on how the subjects will be solicited and evaluated, and list the names of persons recommended for the evaluation team, and the chairperson: Invitations to submit statement of qualifications will be advertised in the Garden Island, Star Advertiser, and the State Procurement Office website.
